User Manual Conventions The Shogun is designed to a high standard but there are some things you should be aware of to prolong the life of the unit and for your own safety. Using the Shogun safely Although the Shogun is very lightweight compared to all the devices it replaces, it is still a solid object that could cause injury if misused.

You may choose a Toyota service
manual from an independent company
like Haynes or Chilton. These
publishers' repair manuals are often
generic in scope and lack the detail
required by the professional mechanic.
But, toyotamanual.org offers the
official Toyota service manual from the
Toyota factory itself.
