Gender-based violence in Sierra Leone | Interactions

Gender-based violence (GBV) is a human rights violation, a public health challenge, and a barrier to civic, social, political, and economic participation. It undermines not only the safety, dignity, overall health status, and human rights of the millions of individuals who experience it, but also the public health, economic stability, and security of nations.

Causes and Effects of Gender-Based Violence

Violence against women (VAW), also known as gender-based violence and sexual and gender-based violence (SGBV), are violent acts the victims of which are primarily or exclusively women or girls.
