### **The Political Economy of Merchant Empires edited by James ...**

Some economic historians use the term merchant capitalism to refer to the earliest phase in the development of capitalism as an economic and social system. However, others argue that mercantilism, which has flourished widely in the world without the emergence of systems like modern capitalism, is not actually capitalist as such.

### **Merchant capitalism - Wikipedia**

A market economy was established [by whom?] in the Islamic world on the basis of an economic system resembling merchant capitalism. Labour promoted capital formation in medieval Islamic society, and a considerable number of owners of monetary funds and precious metals developed financial capital .

### **History of Islamic economics - Wikipedia**

and their social capital is used to sustain economic and political collusion with rulers, to the detriment of other groups in society. We show that the available historical evidence strongly supports our “collusion model”, and refutes the existing “commitment model”. Keywords: merchant guild, collusion, social capital, political economy ...
