The Snowman is a picture book so it gives the reader an opportunity to use their imagination! I would bring this book out during the Christmas season so the kids can see the day in a life of a snowman! This story is about a snowman that a little boy builds when it snows at his home.

The Snowman was among the many Point Horror books I read in the 90s, between the ages of 12 to 16. In those days, when I wasn't buried in a Stephen King novel, nine times out of ten I was reading L.J. Smith , R.L. Stine , Christopher Pike , Caroline B. Cooney , or Richie Tankersley Cusick .
